

W. W. Caruth, Jr. Fund Announcement

We are delighted to share that Young Leaders, Strong City has been awarded a two-year(2021,2022) \$75,000 grant from the W. W. Caruth, Jr. Fund! This much-needed funding will go to continuing our mission by helping to expand our staff and outreach efforts. The funds will also be used to build a bigger and more enriching Teen Equity Summit.

The mission of the W. W. Caruth, Jr. Fund is to encourage organizations to tackle complex social issues related to health, education, and public safety systems through innovation and collaboration. Over the past 20 years, the W.W. Caruth, Jr. Fund has provided bold, visionary, large-scale "risk capital" for transformational North Texas projects.

With the support of this grant, we can continue our mission of educating, equipping, and activating a community of youth leaders prepared to realize their visions for racial justice and equity.

Thank you so much to the W. W. Caruth, Jr. Fund for recognizing the importance of investing in organizations like ours. We're honored to be a part of a community that is dedicated to driving positive change in the world. We look forward to continuing our work and making a real difference together!
