

## **Harold Simmons Foundation Announcement**

We are thrilled to announce that Young Leaders, Strong City has been awarded a \$50,000 grant from the Harold Simmons Foundation! This grant will assist us with operating expenses and support us in building new programming.

At Young Leaders, Strong City, our mission is to educate, equip, and activate a community of youth leaders prepared to realize their visions for racial justice and equity. With the help of this grant, we are excited to develop new initiatives that create opportunities for young leaders to develop the skills and knowledge necessary to succeed in today's world.

The Harold Simmons Foundation, based in Dallas, Texas, is dedicated to improving the quality of life for all members of our community. We are honored to be recognized as an organization that aligns with its values. Their investment in programs that support systems change and impact scalability is critical to our organization's success, and we are excited to partner with them in our mission.

We can't wait to share our progress with you as we move forward with our new initiatives.
